

Rapport SureFire

The screenshot shows the Eclipse IDE interface with the 'Coverage' view selected. The view displays a tree of project elements with their respective coverage percentages and instruction counts. The 'parking-system' project is expanded, showing its sub-packages and classes. The 'src/test/java' package is highlighted, showing its coverage details.

Element	Coverage	Covered Instructions	Missed Instructions	Total Instructions
parking-system	83,5 %	1 808	357	2 165
src/main/java	70,6 %	760	317	1 077
com.parkit.parkingsystem.service	73,1 %	334	123	457
InteractiveShell.java	0,0 %	0	72	72
ParkingService.java	83,3 %	224	45	269
FareCalculatorService.java	94,8 %	110	6	116
com.parkit.parkingsystem.config	11,7 %	7	53	60
DataBaseConfig.java	11,7 %	7	53	60
com.parkit.parkingsystem.util	16,7 %	9	45	54
InputReaderUtil.java	16,7 %	9	45	54
com.parkit.parkingsystem.dao	88,5 %	316	41	357
